Welcome to a new way of living. Welcome to Platinum Skies.

IT'S NOT RETIREMENT, IT'S YOUR NEW LIFE

Platinum Skies turns old-fashioned ideas about retirement living upside down. You know that old joke about being so busy now you're retired, you wonder how you ever had time for work? That's one our residents play out constantly.

We set out to make Platinum Skies the first choice for anyone over 55 who still has a zest for life. So whether you're after a quiet life or a piece of the action, there's always plenty going on. You can look forward to a varied programme of pay-as-you-go activities every week of the year.

From keeping mind and body active to getting out and about, or exploring new hobbies - whatever takes your fancy, it's there for the asking. Tango, tenpin bowling, or day trips to see the sights, if you're up for it we'll make it happen.

Feel free, feel supported

A helping hand, a watchful eye, it's what independence is made of and how our communities look out for each other. It's a real weight off your mind to know you always have someone on hand to call on, not only in an emergency but for everyday matters too.

With Platinum Skies, that someone is your lifestyle manager. Of all the new friends you'll make, your lifestyle manager is the one we've hand-picked to make sure you always feel safe, secure, supported and special.

Your lifestyle manager is your community's cheerleader, an understanding friend, someone

who really knows the local area, a reassuring presence, a master organiser. In short, someone who's there for you in every way.

A caring, supportive community

You'll also find your Platinum Skies neighborhood is a lively and supportive social network. There is a real sense of belonging and the opportunity to engage with people who, like you, have also set their sights on getting the most out of their later years.

And because we take a long-term view, so can you. You may not need to call on our round-the-clock healthcare support or assisted living services at the moment, but it's always there if circumstances change.

- Freedom to live your life the way you want to
- Friendly lifestyle manager on hand to help
- Supportive, active community
- Ever-changing social calendar of events
- Full range of amenities on hand

IT'S YOUR FUTURE. OWN IT AGAIN.

Moving house is a big decision. But when you weigh up what a move to one of our homes has going for it, the decision almost makes itself.

Buying your new home with us couldn't be easier with our unique shared ownership and home exchange service. You get more home for your money with all the benefits of a property designed to meet and adapt to your needs today and for the years to come. An attractive modern setting awaits, with easy access to healthcare and lifestyle support. With the added benefit of releasing your equity, you can live life to the full.

We work together with you

It's all thanks to our partnership with Homes England and our government-approved shared

ownership scheme. Homes England is a public body helping social landlords like us bring affordable housing to people whose needs aren't met by traditional housebuilders.

Instead of buying your new home outright, you pay just 50% of its full market value. You then pay a monthly fee to cover our share of the property plus service charges. In this way, you have the best of both worlds. As property prices increase, so does your equity. And, with Platinum Skies as your long-term partner, you can count on us to keep everything in tip-top condition.

As for your surplus cash, you're free to use that however you choose. You can put your worries aside and look forward to a comfortable future.

How does Shared Ownership work?

"It's good to share"

"Platinum Skies' part-buy, part-rent concept has meant I was able to move into a modern, brand new apartment with more space than I thought I could afford - and still be mortgage free!"

A CATHEDRAL CITY OF TIMELESS BEAUTY

Steeped in history and surrounded by Areas of Outstanding Natural Beauty, Wiltshire's only city can be yours to explore and enjoy.

A medieval yet modern city of timeless beauty and rich with history, Salisbury has an abundance of charm and character.

Hundreds of years of English architecture is here to discover, with most buildings dating back to the splendour of another age. History and tradition is everywhere, from the famous High Street gate (pictured) to the Tuesday and Saturday markets which date back to medieval times. As you would expect, the city's heart is

the famous cathedral which has been attracting visitors for centuries.

Salisbury is packed with great shops, pubs, museums, galleries and restaurants. There's a thriving social scene too - live music, theatre, dance, art exhibitions and comedy nights keep you entertained every month of the year.

City it may be, but this is a place with a strong sense of community which has captivated and inspired visitors and locals for hundreds of years.

COMFORT, CONVENIENCE, COMMUNITY

A vibrant community nestled in the heart of the city, perfectly located for all the transport links you'll need to take you far and wide.

Situated off Wilton Road in west Salisbury, in the grounds of the Grade-II listed Finch House, Chapters has ideal access to local amenities and transport. It's location means that everything you could ever need is nearby, whether you're planning a trip to the theatre, cathedral or further afield via bus or train.

The grounds have been landscaped to provide accessible pathways, seating areas and courtyard gardens. Many of the properties on higher floors offer views towards the cathedral or across the surrounding Wiltshire countryside.

Spoilt for choice

So much is already within our village and waiting for you. On-site facilities include the bistro and bar, residents lounge, activity room, treatment room and library. There's even a visitor's suite so friends and family can stop over in comfort.

Getting around town

Salisbury has good public transport systems that connect to several towns and other locations in surrounding areas. The nearby train station has a direct line to London, and buses run throughout the city and beyond, visiting most of the popular hot spots such as Stonehenge, Bournemouth, Southampton, and Dorchester.

YOUR QUESTIONS ANSWERED

You're bound to have a lot of questions. The most common ones are below, but feel free to contact us if you have any others.

Can I bring my pets?

Yes, of course. We know having a pet around can add to our happiness and wellbeing. So feel free to have your pet move in with you.

What is retirement living?

In many ways, living in a retirement house or apartment is much the same as living anywhere. Your home is yours to furnish and decorate as you please. Invite friends and family over and it's up to you to keep the place spick and span.

On top of this, retirement living brings added security, support and peace of mind. Your home will be part of a purpose-designed development, chosen for easy access to essential facilities and care services. Thought is given to making sure everything is accessible and help is never far away if you need it.

Are family and friends able to stay?

Absolutely! Family and friends are important and this is your home. We have a dedicated guest suite where your visitors can stay. There's a small fee for this and you'll need to book in advance with your lifestyle manager.

Will I get a garden?

We know how much pleasure comes from nature and the changing seasons, so our Cottages and Houses come with gardens and most of our apartments have a terrace or balcony. Throughout Chapters we have created outdoor spaces to enjoy with courtyards and landscaped gardens, water features, and plenty of seating.

Who can live at Platinum Skies?

Anyone over 55. We cater for retirees of every age and people who choose to keep working into their seventies and beyond.

What costs do I have to pay?

You'll pay a monthly rent (assuming you move in with our shared ownership scheme) and service charge. This covers the share of the property that you don't own yourself, plus provision of day-to-day services.

All our rental charges and fees are set by the government's housing agency, Homes England. Lifestyle services - everything from dining at the bistro to health and social activities - are offered pay-as-you-go.

"He's my best friend"

"My cat and I have been companions for as long as I can remember. I love that he was allowed to move in with me, it's one of the main reasons why I moved to a Platinum Skies home. Not all developments accept pets and some don't actually allow pets in the grounds. The team have been so helpful and nothing has been too much trouble."
